## Get ready.

Ready to apply? You'll need the following information to complete a CHIP application.

If you have any questions, we're here to help. Just call us anytime at 1-888-888-1211.

### Check that you have:

#### Proof of all household income

All documents (except tax returns) should be from within the last 60 days, and show income before taxes and deductions:

- Pay stubs, award letters or checks
- Social Security, pension, or Workers' Compensation check, award letter or bank statement
- Unemployment check stubs or award letter
- Child support or alimony orders or checks
- If self-employed, tax returns or a list of your income and expenses

#### Proof of citizenship status

- If applying for someone who is not a U.S. citizen, you must also submit proof of his/her legal status (USCIS documentation).

Please submit copies only. Do not send originals.

### Be prepared to provide information about expenses such as:

- Child/adult day care
- Other health insurance that the child you're applying for has, or has had in the last six months
- Transportation expenses
