

9. HELP WITH PROBLEMS

At Health Partners, we work very hard to keep you healthy, and to make sure that you are happy with the services we provide. Sometimes, however, you may have a concern about your health care or Health Partners' services. We want to work out any concerns you have, and will work hard to resolve any problems you may have. Many times, our Member Relations department can help you with these questions or concerns. Member Relations representatives are available around-the-clock, seven days a week, by calling 1-888-888-1211 or 215-967-4540 (TTY 1-877-454-8477 or 215-849-1579).

Complaints and Grievances

If a provider or Health Partners does something that you are unhappy about or do not agree with, you can tell Health Partners that you are unhappy about or that you disagree with what the provider or Health Partners has done. This section describes what you can do and what will happen. Exercising your complaint and/or grievance rights will not negatively affect the way you are treated by Health Partners, its participating providers or any State agencies.

Complaints

What is a complaint?

A complaint is when you tell us you are unhappy with Health Partners or your children's provider or do not agree with a decision by Health Partners.

Some things you may complain about:

- You are unhappy with the care your children are receiving.
- You cannot get the service or item you want for your children because it is not a covered service or item.
- Your children have not received services that Health Partners has approved.

When do I file a first level complaint?

You must file a complaint within 45 days of getting a letter telling you that:

- Health Partners has decided that your children cannot get a service or item you want because it is not a covered service or item.
- Health Partners will not pay a provider for a service or item your children received.

You must also file a complaint within 45 days of the date your children should have gotten a service or item if they did not get the service or item. The time by which you should have received a service or item is listed on the "Appointment Standard" chart in Section 1.

You may file all other complaints at any time.

What happens after I file a first level complaint?

After you file your complaint, you will get a letter from Health Partners telling you that we have received your complaint, and about the first level complaint review process.

You may ask Health Partners to see any information we have about your complaint. You may also send Health Partners any information that may help with your complaint.

You may attend the complaint review if you want to. You may come to our offices at 901 Market Street, Suite 500 in Philadelphia or be included by phone or by videoconference. If you decide that you do not want to attend the complaint review, it will not affect our decision.

A staff person of Health Partners (or one of our subcontractors, if appropriate) who has not been involved in the issue you filed your complaint about will review your complaint and make a decision. Your complaint will be decided no later than 30 days after we receive your complaint.

A letter will be mailed to you within five business days after the decision is made. This letter will tell you all the reasons for the decision and what you can do if you don't like the decision.

Expedited Complaint and Grievance and Expedited External Review

What can I do if my children's health is at immediate risk?

If your children's doctor or dentist believes that the usual timeframes for deciding your complaint or grievance will harm your children's health, you or your children's doctor or dentist can call KidzPartners Member Relations at 1-888-888-1211 or 215-967-4540 (TTY 1-877-454-8477 or 215-849-1579) and ask that your complaint or grievance be decided more quickly. This is called an expedited complaint or an expedited grievance. You will need to have a letter from your children's doctor or dentist faxed to 215-991-4105 explaining how the usual timeframe for deciding your complaint or grievance will harm your children's health.

If your children's doctor or dentist does not fax Health Partners this letter within 48 hours of your request for expedited (faster) review, your complaint or grievance will be decided within the usual timeframes.

What happens after I file an expedited complaint or grievance?

A committee of three or more people, including a licensed physician and at least one person not employed by Health Partners, will review your complaint or grievance. The licensed physician will decide your expedited complaint or grievance with help from the other people on the committee. No one on the committee will have been involved in the issue you filed your complaint or grievance about.

Health Partners will call you within 48 hours of when we receive your request for an expedited (faster) complaint or grievance, accompanied by a doctor's letter, to tell you our decision. We will also send you a letter within two days telling you all of the reasons for the decision and what you can do if you don't like the decision.

If you are not satisfied with the decision of the expedited complaint, you can file an expedited external complaint with the Pennsylvania Insurance Department or the Pennsylvania Department of Health (see External Complaint Review) within two business days from the date you get the expedited complaint decision letter.

If you want to ask for an expedited external grievance by the Department of Health, you must call KidzPartners Member Relations at 1-888-888-1211 (TTY 1-877-454-8477) within two business days from the date you get the expedited grievance decision letter. Health Partners will send your request to the Department of Health within 24 hours after receiving it.

You may not ask for an expedited review after Health Partners has made a second level grievance decision on the same issue.

What kind of help can I have with the complaint and grievance processes?

You may call KidzPartners Member Relations at 1-888-888-1211 (TTY 1-877-454-8477) if you need help or have questions about complaints and grievances. If you need help filing your complaint or grievance, a staff member of Health Partners will help you. This person can also represent you during the complaint or grievance process. You do not have to pay for the help of a staff member. This staff member will not have been involved in any decision about your complaint or grievance.

At any time during the complaint or grievance process, you can have someone you know (which may include your children's provider) represent you or act on your behalf. If you decide to have someone represent or act for you, tell Health Partners, in writing, the name of that person and how we can reach him or her.

This person can also help you if you decide you want to appear at the complaint or grievance review. If you want legal assistance, you can contact your local legal aid office or the Pennsylvania Health Law Project at 1-800-274-3258.

What to Do If You Receive a Bill

There may be times when you are billed for services you receive. You may be billed for unpaid copay amounts, or for services not covered by KidzPartners. Participating providers cannot bill you unless they tell you that you will have to pay for the service before you get the service.

Sometimes, you may also receive a bill from your hospital or doctor by mistake.

If you do receive a bill:

1. Open it right away.
2. If the bill is for services that you believe are covered by KidzPartners, do not pay it. Just write "KidzPartners" and your child's KidzPartners identification number from his or her ID card on the bill.
3. Mail the bill back to the office that sent it to you.

Or,

4. Call the "billing questions" phone number shown on the bill, and give them your child's KidzPartners ID number.

If you follow these steps right away, you should not receive any more bills for your children's health care (except for unpaid copay amounts) as long as you are going to KidzPartners participating doctors, hospitals, pharmacies and other providers. If you do get another bill for your children's health care, or if you have questions about what to do when you get a bill, call KidzPartners Member Relations at 1-888-888-1211 or 215-967-4540 (TTY 1-877-454-8477).

Special Investigations Unit

Health Partners' Special Investigations Unit (SIU) looks into the actions and behaviors of KidzPartners doctors and other providers, KidzPartners members, and Health Partners employees.

The SIU checks to see if these people act in a way that is not legal or is not ethical (wrong).

Members who believe that providers, other members or Health Partners employees have acted in a way that is not legal or is not ethical should call our SIU Hotline at 1-866-477-4848. This hotline is for reporting the suspected actions or behaviors of members, providers and employees. You do not need to tell us your name or phone number when you call our hotline – just share with us what you would like to about the actions that you think may be wrong. Some examples of behavior that is not legal or is not ethical include:

- Providers who submit claims for services they did not provide
- Providers who submit a bill for a more expensive service than the one they actually did
- A provider who pays a member to see him or her
- Providers who submit more than one bill for the same service
- Providers who perform services that are not necessary
- Providers who abuse a patient physically, mentally, emotionally or sexually
- Providers who offer a member free services, equipment or supplies in exchange for the member's ID number and then use that ID number to bill Health Partners for services never provided
- A pharmacist who pays providers for referrals
- A pharmacist who gives generic drugs but bills for brand name drugs
- Members who sell their membership cards or ID numbers
- Members who sell medicines they receive through KidzPartners

Tips for Recognizing “Fraud” and “Abuse” Issues

When Receiving Services at a Provider’s Office

When a medical procedure is recommended, make sure the doctor explains to you why your children need the procedure.

When Filling Prescriptions

Ask the pharmacist how many pills are in the bottle to make sure that it is the same number that the doctor prescribed.

When asking someone to take your children’s prescription to the pharmacy to get filled for you, make sure that you know and trust that person.

When Attending a Gym or Physical Therapy Facility

Make sure you initial or sign gym cards ONLY for completed visits. Do not allow someone to have you initial or sign for any visits that you are planning to complete, but have not yet completed.

Safeguards to Protect Your KidzPartners Member Identification Card

Keep your children’s KidzPartners member identification card in a safe place. Check often to make sure that the card is not missing.

Show your children’s KidzPartners member identification cards or provide their identification numbers only to your children’s healthcare providers or administrators and pharmacists.

Do not leave any documents showing your children’s KidzPartners member identification numbers in public places.

When receiving your healthcare services, Health Partners recommends that you:

Be Cautious. Be Alert. Be Safe.

If you see or hear about any wrongdoing, please make a note of what you think is wrong and call our SIU Hotline at 1-866-477-4848 (TTY 1-877-454-8477). You can use our Hotline number to report any suspected wrongdoing about KidzPartners participating doctors or other providers, members and/or Health Partners employees. An easy way to remember the Hotline number is 1-866-HP-SIU-4U.
